THE STUDENTS OF

YORK COMMUNITY HIGH SCHOOL

ELMHURST, ILLINOIS

Follow along with us as we give you a picture

view of York. Step by step we'll show you just what events take place in the lives of the York students. Through this pictorial review you will be able to remember the big events of this year. Many of the experiences would be lost and forgotten without this visual reminder.

Through the theme of this yearbook we hope we have given you a real Oscar. Here then, the yearbook staff presents it to you, the students of York, Y's Tales 1957.

34 Years in Administration, Dr. Young Retires

Superintendent at York since 1949-50, Dr. Paul A. Young announced his intention to retire from administrative work a year ago but was requested to stay on as superintendent for the school year 1956-57 until a principal and a superintendent could be selected and to remain in an advisory capacity until the new superintendent was oriented. He also has the responsibility of following through on the construction details of the second school building.

During Dr. Young's administration, great growth in the community has taken place. Ten building projects and a great increase of administrative detail were the result of a near doubling of enrollment.

For his tireless efforts, long hours of work, and the many improvements he has brought to York, we are most grateful. We sincerely wish for him the best of everything in the years to come.

York Welcomes

Mr. Allingham

York's new principal Mr. R. Bruce Allingham came to York three years from Cedar Rapids, Iowa.

We want to extend to Mr. Allingham a warm welcome and wish him good luck in his new position in carrying on the traditions and traditions of York. We are confident that his presence will bring to the school what we are all proud of and we hope this building will be a good and happy one.

Latin Club Revives Roman Life and Customs

The Latin 9 students wore bulas, or round discs which had the student's names written on them in Latin. After the breakfast the inmates were given sportulas of food or baskets containing lunches which the members had brought for the inmates.

Heading the club, which is sponsored by Mrs. Larson and Miss Howe, are June Paulus, President; Bonnie Brown, Secretary; and Faith Halfter, Treasurer.

Other activities of the club, which meets the first Wednesday of every other month, were a picnic, a treasure hunt, and, at the end of the year, the annual Senior Tea, where members who had been in the club and had actively participated in events of the club since their freshman year received their Latin Club pin.

In the spring of 1957, several members of the club went into Chicago and visited the Planetarium, the Art Institute, and the Prudential Building.

Curtain Rises on Year's French Club Activities

The French Club is open to all students taking their first year of French who have completed the first semester with a "B" average. Anyone taking second year French may join the club.

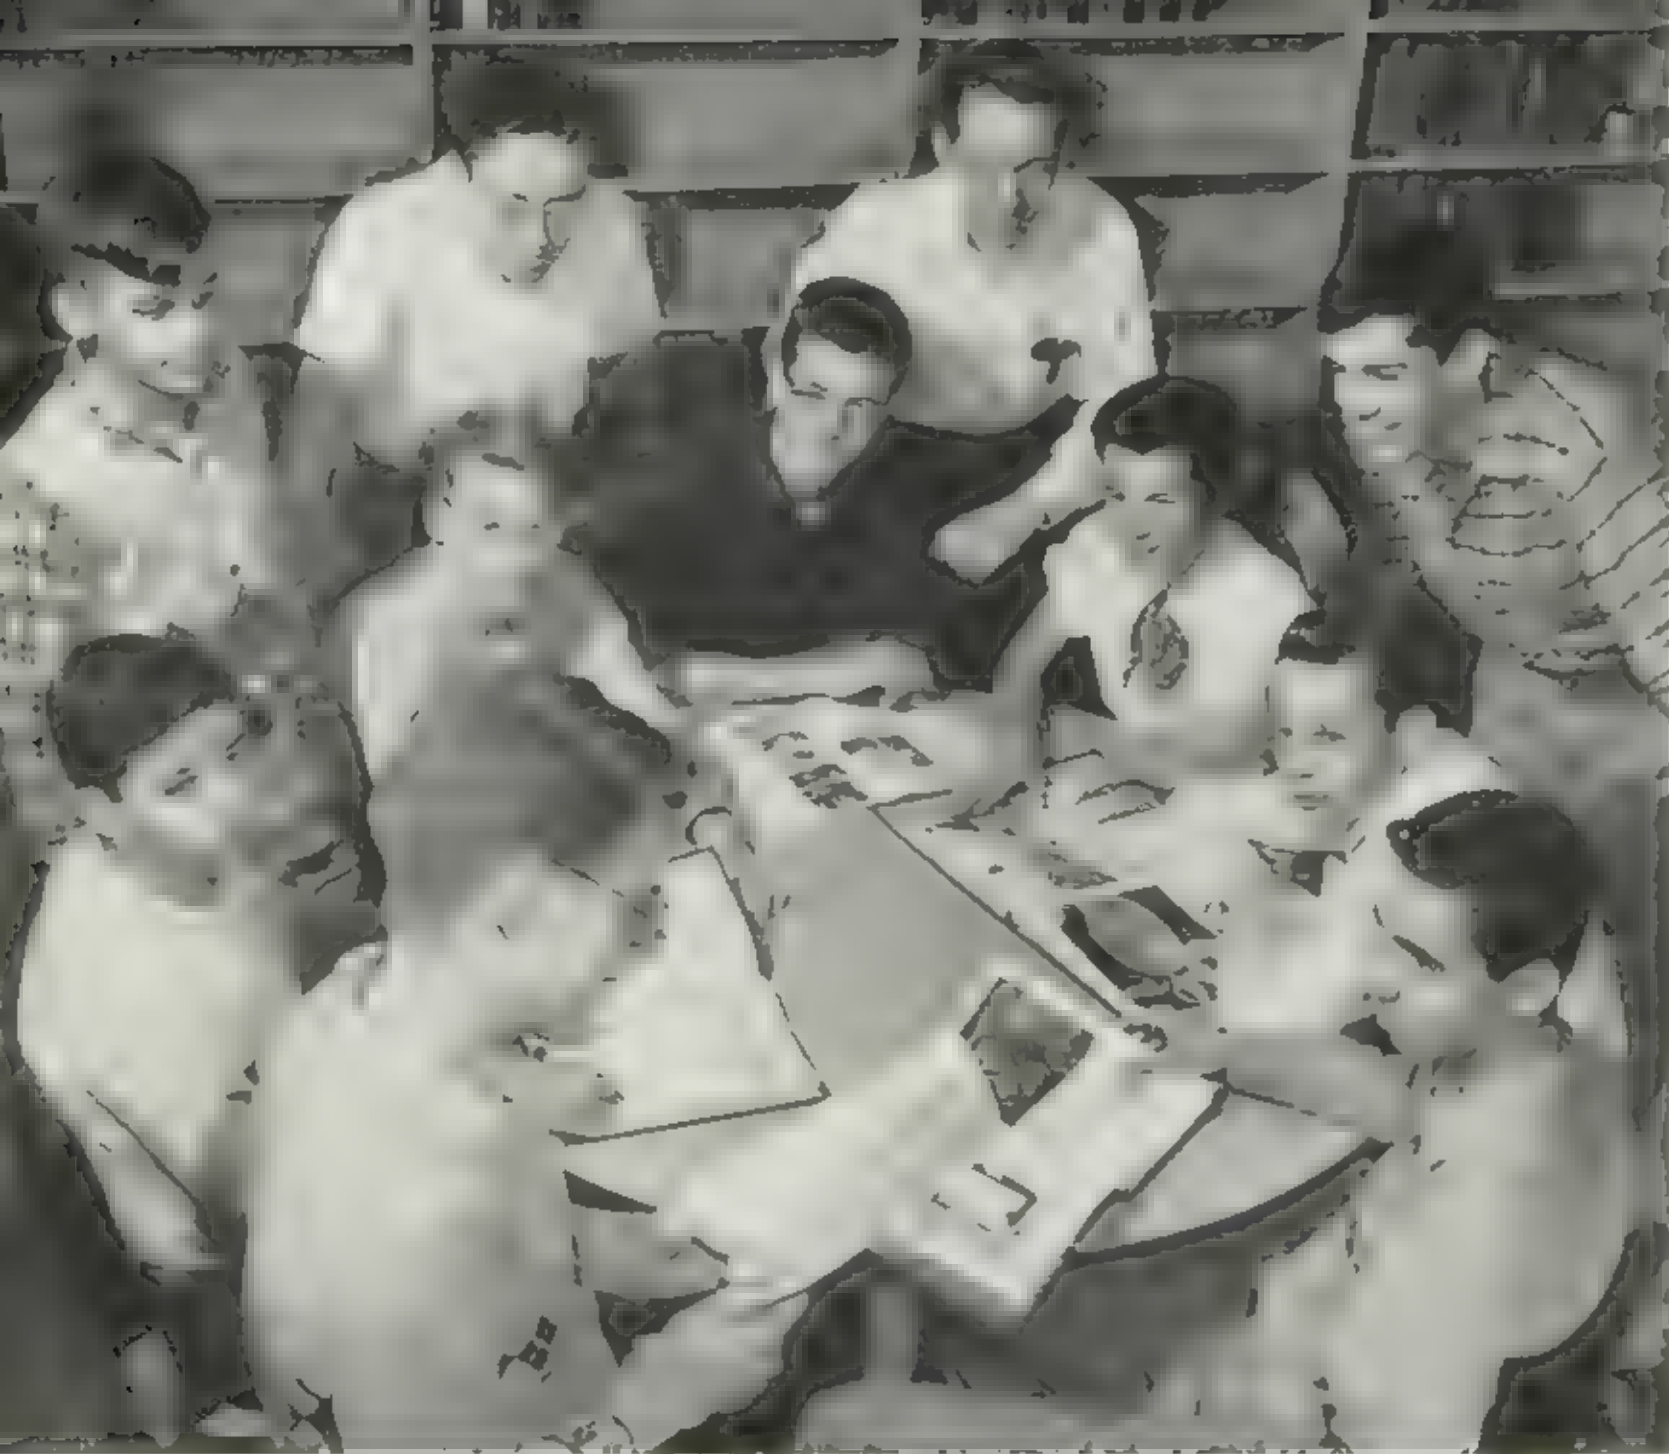

The meetings are called to order by Tony Kavanaugh, the president. He is assisted by the other officers, who are Sharon Brosseau, Vice President; Lynn Temple, Treasurer; and Linda Leckie, Secretary. The club's sponsor is Miss Petersen.

March 7, 1957, was the date of the most important event of the year, the club's annual Mardi Gras. At this time all the new members were initiated. A French atmosphere was created, and French foods were served in a potluck dinner fashion.

The chief purpose of the French Club is to acquaint the members with the different customs of the French people, the country itself, and the language. This is accomplished by having speakers and movies at their monthly meetings.

Historical Society Matches Wit With Producers

Historical Society, inspired by Mr. Varland, was organized to give students an opportunity to find in the classroom for the study of our country its heritage and its problems.

The biggest project this year for Historical Society was an assembly on the life of Benjamin Franklin. Members of the organization planned the entire program, which had seven acts portraying his life.

On March 20, the society took a trip to the Elmhurst Historical Museum. They have also planned a camera caravan in which members will travel to the historical spots of Du Page County.

Among other projects, members view films of the activities of the government and the historical background of the United States.

Girl's Club also sponsors two holiday parties, one at Halloween and another at Christmas time. The last activity of the year is the Mother's Tea in May when the girls are awarded their pins for service to the club.

At the teas and other occasions the club's silver service, brass service and glass dishes are used. Part of the money earned by Girl's Club goes toward maintaining and supplementing the services.

Helping Miss Graham, who is the sponsor, are President, Pat Smith; Vice President, Lenore Stevens; Recording Secretary, Judy Schroeder; Corresponding Secretary, Patty Anderson; and Treasurer, Potty Anderson.

New Yorkers Club Preview's Coming Attractions

The purpose of the New Yorkers Club is to afford a social life for transfer students. All students who are new to York this year and each year thereafter, because of transferring from another high school, are automatically considered members of this club.

This year one of the main projects was the homecoming float. During the Christmas season, the club sponsored the annual Alumni Tea. New Yorkers have also sold refreshments at different sports events at York.

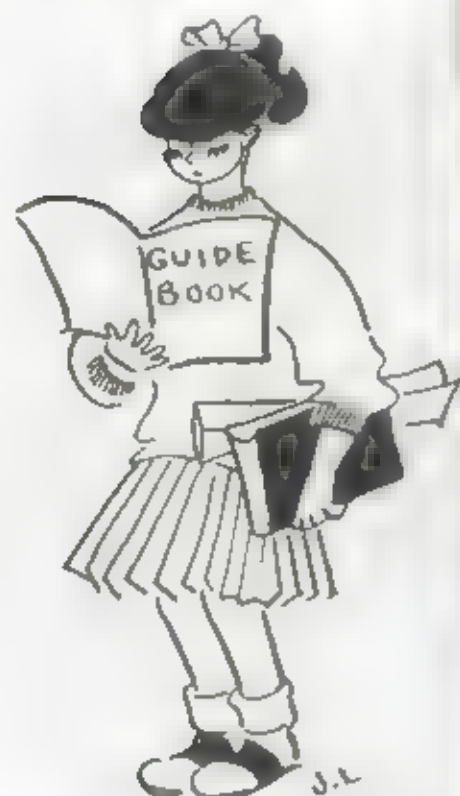

This year's officers are Sam Gewin, President; Elaine Casey, Vice-President; and Ellen Murray, Secretary.

The chairmen are RoseAnn Pusateri, program; Louise Zingarelli, publicity; Bill Davis, hospitality; Carol Knab, refreshments; and Mary Delia Lucas, social spirit.

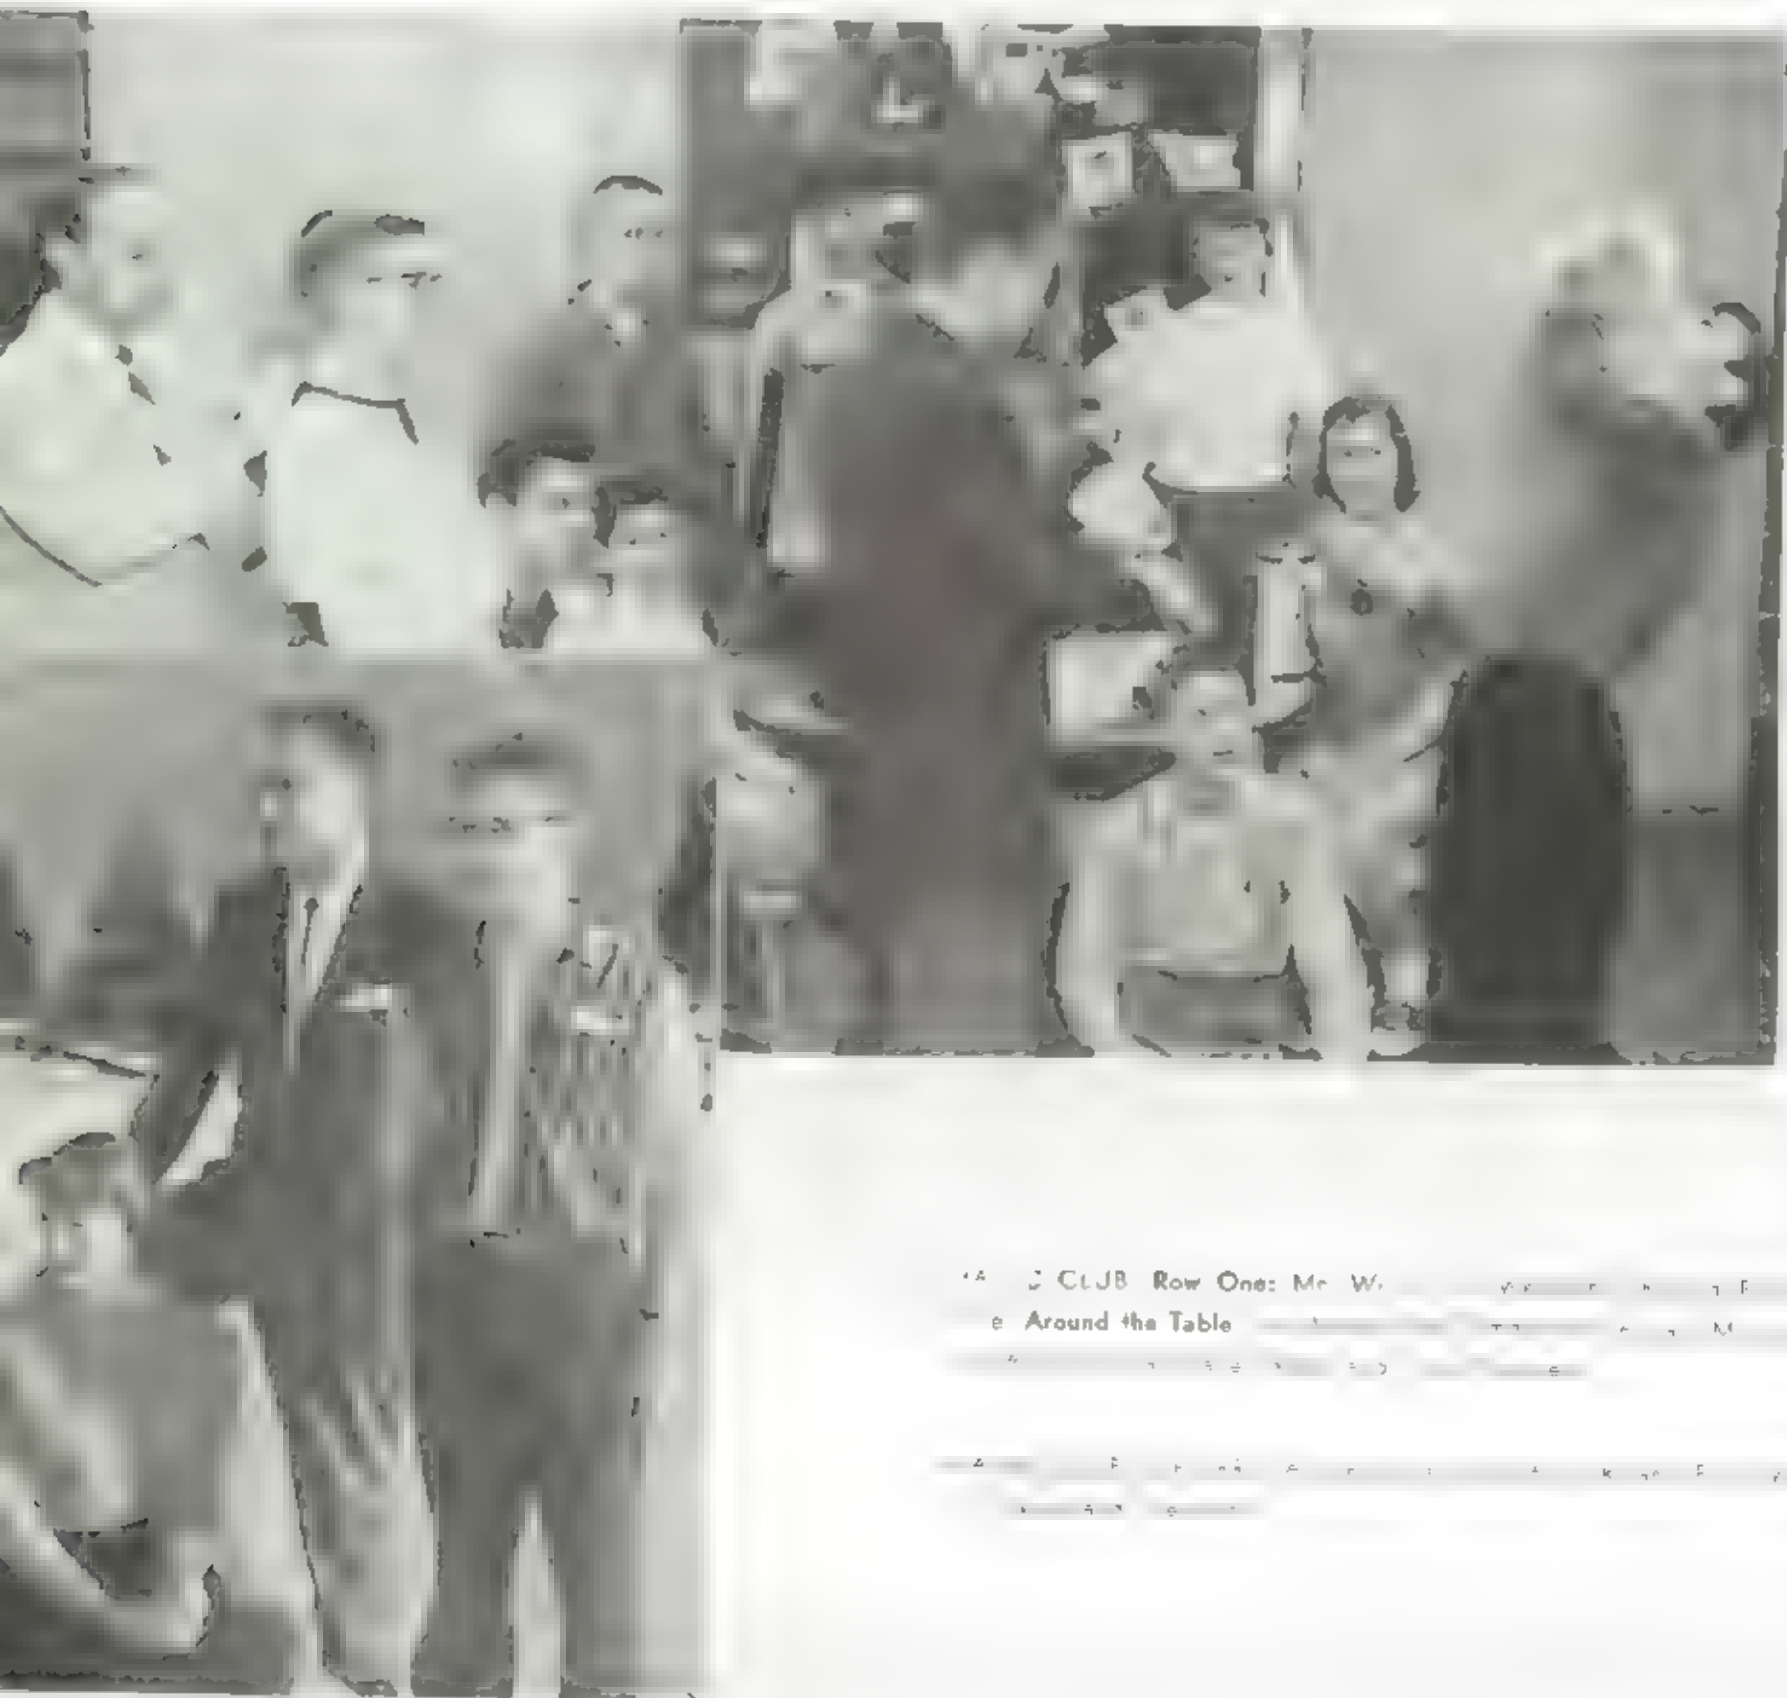

New Yorkers Club was established in 1951 and has grown to be one of York's most popular organizations. Under the supervision of Miss Kravitz, the club has just completed another very successful year.

The head coach, Mr. Fisher, along with the other coaches, Mr. Mueller, Mr. Lesch, and Mr. Kovatch, led them through rugged daily workouts.
